

Intro

Verse

Chorus

just play the D first time , Both chords when there's the Chorus

Bridge

Bridge 2

DARLING (ACOUSTIC / ELECTRIC) MCC (MAGNA CARTA CARTEL)

(Intro)

(Verse)

Hey, little darling, look at you
Hey, little darling, look into
My eyes
Hey, little darling, call to arms
Hey, little darling, come into
My arms

(Verse)

Hey, little darling, look at you
Hey, little darling, look into
My eyes
Hey, little darling, is it you?
Hey, little darling, is it true?
All lies
It's ashes and dust

(Chorus)

Where are you now?
I need you now
You're lost somewhere
Where are you now?

(Verse)

In little way, so many times
I walked away so many times
From you
But in the end, you held the key
When it seems to fade of me
When you
It's ashes and dust

(Chorus)

(Bridge)

(Bridge 2)

You never know yourself in love
You never like yourself in love
You can't defeat yourself in love
So don't you ever fall in love

(Chorus)
